Miss Martha Crutcher, aged 65, of Frankfort, prominently connected throughout the state, is thought to be in a dying condition from blood poisoning, the result of a cut on the toe while trimming her toenails.

The differences between the Selby Shoe Company and its cutters at Portsmouth have been amicably arranged and all the men returned to work this morning. It was done by arbitration, which is somewhat better than "slugging" after the Chicago fashion.

The largest flag in the world, a giant Star Spangled Banner, is to hang in the great court of the Postoffice Building at Washington as soon as the mammoth hunting can be manufactured. Sixty feet long by about thirty-five feet wide is the approximate size of this banner. It is to be made of American wool bunting, and the actual cost of construction is to be about \$200. Each of the thirteen stripes will be almost three feet wide. The banner will exceed in length the great flag which hangs in the court of the Pension Building by about ten feet.

THURSDAY, DECEMBER 13th.

MAYSVILLE, KY., December 5th, 1906,

To the People of Maysville, Mason and Neighboring Counties: I wish to say that my entire stock of Suits, Overcoats and Furnishings for Men, Boys and Children, also Trunks, Suit Cases and Bags, will be sold, not, however, to discontinue business, but to enable me to carry out my plans for the coming spring and summer. By adding more space, and having it well filled for this fall and winter, whose weather thus far has been against me, finds me with too much stock. It must be sold. I am going to convert it into cash, realizing that now, while you can use it, is the time to sacrifice; also, while the sizes and lots are unbroken. In this unloading sale are the products of the leading manufacturers of the country. The price will cause you to purchase. The same condition governs this sale that has been our pride—satisfaction guaranteed to all, exchanges made without hesitating and to any one who wants it their money is refunded. Beginning this day the sale will continue until the stock is reduced.

Thanking all for previous patronage, I am,
 Respectfully,

J. W. LEE.

Female Weakness

"Last Fall," writes Mrs. S. G. Bailey, of Tunnelton, W. Va., "I was going down by inches, from female disease, with great pain. After taking Cardui, Oh! My! How I was benefited! I am not well yet, but am so much better that I will keep on taking Wine of Cardui till I am perfectly cured."

Despite the envious attacks of jealous enemies and rivals, Cardui still holds supreme position today [as in the past 70 years] for the relief and cure of female diseases. It stops pain, tones up the organs, regulates the functions, and aids in the replacement of a misplaced organ.

In pursuance of a recent decision of the Court of Appeals, the City Council of Paris returned to the First National Bank of that city \$1,127.90, collected for taxes for 1904-5.

The State Printing Commission accepted a bill drawn by a sub-committee, providing the manner of letting printing contracts and fixing a maximum price, and will present it at the next session of the General Assembly.

The Court of Appeals held, in a decision by a divided Court, that the Revenue Act of 1906, so far as it applies to National Banks, is not effective this year, and Banks cannot be required to pay taxes on Government bonds held at this time. The decision affects every National Bank in Kentucky.

Francis Drake and John Woodruff, former convicts in the state Penitentiary, returned to their homes near Hopkinsville, and it was then learned for the first time that they had been pardoned last Tuesday by Governor Beckham. The men were convicted of the murder of a guard at a coal mine during the strike in 1901.

STOPS ANY ITCHING

Doan's Ointment Cures Eczema and Itching Piles. Maysville People Recommend It.

One application of Doan's Ointment stops any itching. Short treatment cures eczema, itching piles, salt rheum—any skin eruption or skin itching. It is the cheapest remedy to use because so little of it is required to bring relief and a cure. Here is Maysville testimony to prove it:

Mrs. Kate Poth, living at the corner of Clark street and Forest avenue, Maysville, Ky., says: "I gave a statement about Doan's Ointment which was published in our Maysville papers. I said that I had received most decided benefit from the use of this remedy, procured at J. James Wood & Son's Drugstore. For a long time I had an itching or eczema of the scalp. It broke out in spots, and sometimes the spots would appear on my forehead and temples. The itching was particularly troublesome just before a rain, and then was so intense that I could not sleep at night. It required only a short use of Doan's Ointment to cure the trouble and the cure has been lasting for the past five years. There has never been even an indication of a recurrence. A friend of mine also had eczema and tried everything for it but never found anything to remove the annoyance. On my recommendation she used Doan's Ointment and was absolutely cured."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.
